It' ll take only about 15 min.

<https://forms.office.com/r/ARqXmdpxmN>

This survey is conducted annually to determine students' perceptions of their learning environment and learning experience.

Your answers can help enrich you and other students' learning, research, and extracurricular activities. We appreciate your cooperation in completing this important survey.

Report

In response to the opinions and requests, We have worked to improve the educational environment!

- Opened the new learning space "Shinsokan Academic Plaza" on Shinmachi Campus
- Added seats in the Ryoshinkan Learning Commons
- Earlier fall semester grade notification schedule
- Released Doshisha University Portal Site
- Upgraded DoKoDeMoPC to one with camera
- Improved on-demand class attendance environment by introducing Panopto, a video recording and distribution system
- Improvements to DUET : added sorting function for messages and expanded function for sending messages to university email addresses

Check

After answering this survey, personalized feedback to review your own learning and development over time will be provided at a later date. This is a resource you can use when considering your course selection or completing a self-assessment for career development. We hope you will make use of this information!

Examples of utilization
